# Publishing Live

The screenshot shows the CrownPeak CMS interface with a live website preview. The website is for 'PHARMACEUTICAL THE FUTURE IS NOW' and features sections for 'Our Commitments' and 'The Science Of Healthy Aging'. A 'Current' dropdown menu is open, showing options: 'Live', 'Draft-landing-page', 'Include Dependencies', 'Send To', 'Retired', 'Offline', and 'Live Technology To Live'. The left sidebar contains a file tree with categories like 'Events', 'Press Release', 'Products', 'newsroom', 'suppliers', 'investors', and 'product-extended-1' through '3'. The bottom status bar shows '184 Files' and 'Active'.

This screenshot is similar to the first one but includes a 'Quickview Publishing Monitor' overlay on the right side. The monitor displays a list of publishing tasks with their progress and dates. The tasks are categorized into 'My Publishing' and 'Other User Publishing'. The 'My Publishing' section shows several tasks in 'In Progress' or 'Complete' status. The 'Other User Publishing' section shows tasks for 'Th Ag' and 'System Publishing'. The bottom status bar shows '184 Files' and 'Active'.
